CHRISTMAS CAMPAIGN NOV-DEC (2017)

When Austerity Bites!

This Christmas families are experiencing one of the most challenging times seen in many years. Welfare reform and the introduction of universal credit has given “austerity” a whole new meaning. Families are facing a minimum of **6 weeks (some up-to 3 months)** without any form of financial support as the government introduces one of the hardest hitting welfare reforms seen in modern history.

NOW IS THE TIME TO ACT!! It's true that most people are finding it harder to stretch the pennies, but we always have something to give. Let's all make Christmas easier for someone who needs a little extra help this year.

Pay it forward, this Christmas
